STUDENT MINISTRY ♦ roots

Here at First Presbyterian Church, we believe that the middle and high school years are a vital time for spiritual development in the lives of our students. It is a time when students have legitimate, real questions about life, who they are, and even their own faith. It is a time of searching for their own identity in society, finding where they fit in, and sorting out their beliefs. Some students truly thrive at this age, while others hold on for dear life.

The Roots Student Ministry objective is to show our students Christ and to teach them that through Him, we can find our identity, we can find our calling, and we can share that message with others. We encourage students to put down deep ROOTS to enable them to grow strong and flourish.

Community Bible Study: Red Sea to the Jordan River

September 12, 2022 – May 1, 2023

Mondays ♦ 6:30–8:30pm ♦ Harper Chapel

Register: GreenvilleEve.CBSclass.org

Have you ever felt discouraged, tired, and overwhelmed, like you are just going through the motions? Have you ever asked, “Does God see me? Does He care? Can I trust Him?” If we knew the final outcome, would it change our perspective? From Exodus through Numbers, this year in Community Bible Study we will follow the journey of a nation, from enslavement to freedom, as they encounter God. We discover the God who desires to live with His people, who has a plan, who knows us by name. We see the God who shows us His mercy and promises good things and keeps His promises.

Join us in September as we begin a study of challenge and grace, of learning from others’ mistakes and forging a new future. Study with us as we see God’s faithfulness in good times and bad.

We begin our study on Monday, September 12, with **Red Sea to the Jordan River**, an examination of Exodus, Leviticus, and Numbers. We will learn how God delivered His chosen people from slavery and established them as a new nation. We will not just be studying history; we will learn the story of our holy God’s faithfulness to weak and sinful people like us.

At Community Bible Study, we love seeing what happens in people’s lives when they discover God through the study of His word. The Greenville Evening Community Bible Study class is for middle schoolers, high schoolers, and adults. It is for singles and married couples. We have in-person and online groups depending on your preference. Together we explore the Bible and what it tells us about the God who has woven His story through history and is present with us now.

Down the centuries each generation of Christians seeking to grow in their faith has turned to the inspired poems of the Psalms and the wisdom literature of Proverbs as they wrestle with the full range of human emotions and experiences. As they have prayerfully and quietly laid themselves bare before the heart of God, they have learned what it means to engage with the practical lessons of Proverbs, while enjoying the exalted heights of devotion and personal challenge contained within the Psalms. This is a fall series of studies you will not wish to miss if you are serious about wrestling with some of the big issues God brings into our lives in order to refine us and move us toward being more Christ-like in our relationship with Him.

This statement by Dr. Kruger certainly applies to the book of Romans. This study leads us through Paul's practical and very relevant teachings, which have had profound impact on our understanding of the gospel of grace and how we are to live. Dr. Kruger's teaching portion is clear and engaging and is followed by group discussion of the material.

Sometimes referred to as the "Apocalypse of the Old Testament," the book of Daniel presents the long life and the intriguing visions of one who is "highly esteemed" in the eyes of the Lord. Daniel lived for over 80 years in exile in a foreign land, the country of Babylon, and through his actions and words, Daniel revealed the truth of God in an often hostile place. His visions reveal that though kingdoms may come and go, all wisdom and power belong to God alone. These visions served to give hope to God's people as they lived as God's chosen people in a foreign land. God is still in control and He has a plan.

Hebrews

by John MacArthur

Pastor John MacArthur will take you through the book of Hebrews, passage by passage, so that you can better understand the author's message, the cultural context, and the perfect sufficiency of Christ.

The unknown author of Hebrews contrasts the Old and New Covenants, brilliantly showing that Christ is higher than any Old Testament character, priest, ritual, or sacrifice. Because of Jesus' life, death, and resurrection, He is the perfect sacrifice and our own High Priest. And He has given all believers unfettered access to God!
