### *When reading a passage, ask yourself:*

1. What does the passage actually say?
2. What does the passage say about God?
3. What does the passage say about me?
4. Is there something I must do?

## *Questions for the New Year*

1. What is the most important change I can make to grow in my relationship with Christ this year?
2. What one proactive step could I take to improve my relationship with my spouse, children, or grandchildren this year?
3. How can I prayerfully and intentionally reorganize my life in order to slow down?
4. How do I become proactive in seeking purity and holiness in my thought life?
5. What steps could I take to be more prayerful about my culture and nation?
6. Are there anxieties, doubts, and emotions that I need to leave behind as I enter 2024?

## *Principles of Interpretation*

1. Historical Context
2. Theological Content
3. Literary Structure
