

Join us in Missional Ministry!

Choose a ministry and make a difference.

Hollis Academy

Mission: In the Fall of 2010, FPC entered into a partnership with Hollis Academy Elementary School, seeking to impact our community by sharing the love of Christ with students, parents and teachers there. Hollis currently has close to 750 students with over 99 percent of them receiving free and reduced lunches.

Time frame: School year

Ages: Adults and young adults

Opportunities: Mostly individuals, but also groups

YOUR HELP IS NEEDED FOR:

- **Room Parent**—committing to help out in a classroom 2 times per month for an hour or two each time; flexible times; help with end of year and Christmas parties as well; an amazing way to build relationships.
- **Reading Buddy**—paired with a 1st grade child to read with them once or twice a month (or more if you'd like) from 12:00-12:20; volunteer can pick a time of the week/month that works best for them.
- **Feed the Children Ministry**—sends home food for the weekend with 110 students; looking for volunteers to pack food bags at the church once a month or to hand out the food bags one Friday per month (1st, 2nd, or 5th Friday); takes about an hour once a month.
- **Good News Club**—after-school Bible study with the students; meets on Thursday afternoons; volunteers are there from 2:00 until 4:00pm; club runs September-November and January-March.
- **Mentoring Program**—paired with a student of volunteer's same gender; weekly commitment during lunch (about 20 minutes); building a relationship with a child in need of positive adult role models.
- **Refresh Baking Ministry**—baking a cake for teachers on the 2nd Wednesday of each month (our way of encouraging and supporting the staff at Hollis); can volunteer to bake once a year or once a month.

Many other ministries happen throughout the year. These, however, are our biggest service areas. If you'd like to be a part of this life-changing ministry, please contact Beth Simmons.
