# *Ponder Anew* BAROQUE MASTERWORKS FROM *the* MUSEUM & GALLERY

THE JERRY AND ALICE LENZ GALLERY  
FIRST PRESBYTERIAN CHURCH OF GREENVILLE  
APRIL–OCTOBER 2023

The art of the Baroque period provides a glimpse into the life and culture of a distant past. Although the clothing, setting, and props may reflect an outdated time, the artistry used and the narratives explored by these Old Masters are universal. For example, the dramatic lighting effects, nuanced body language, and poignant themes presented in the art are also part of modern theatrical and filmic storytelling. As you reflect on the works in this exhibition, may you ponder anew these timeless treasures and find inspiration relevant to life in the present.

Thanks to the generosity of Jerry and Alice Lenz, we are able to offer a museum-compliant art gallery. The Lenz Gallery, on the third floor of the new A building First Presbyterian Church, allows us to exhibit both classical art, such as the Museum & Gallery's Baroque Masterworks, and some of today's contemporary fine art. We are delighted to provide gallery space on levels one and two as well.
