May the God of hope fill you

so that you may

Romans 15:13

Welcome

We are delighted to share our Winter/Spring discipleship offerings with you!

Christian author Dallas Willard writes,
"The greatest issue facing the world today, with all its heartbreaking needs,
is whether those who are identified as 'Christians' will become disciples—
students, apprentices, practitioners—of Jesus Christ, steadily learning from him."

Intentional discipleship is learning to live a life of Jesus in the power of the gospel.
This winter and spring, we invite to join us in gospel-centered community
as we seek to grow in the transforming love of Jesus.

Come grow with us!

CHILDREN

We desire to demonstrate to children of all ages that a relationship with Jesus Christ is not a remote option that can be added into one's life at a later point in time, but rather an essential part of even a very young person's life. Through Bible teaching and relationships with their teachers, children are taught that they have the opportunity to begin a spiritually abundant life at an early age, to live daily in grateful dependence upon the Lord God, and to learn what it means to glorify God and enjoy His presence forever.

STUDENTS ROOTS

Here at First Presbyterian Church, we believe that the middle and high school years are a vital time for spiritual development in the lives of our students. It is a time when students have legitimate, real questions about life, who they are, and even their own faith. It is a time of searching for their own identity in society, finding where they fit in, and sorting out their beliefs. Some students truly thrive at this age, while others hold on for dear life.

The Roots Student Ministry objective is to show our students Christ and to teach them that through Him, we can find our identity, we can find our calling, and we can share that message with others. We encourage students to put down deep ROOTS to enable them to grow strong and flourish.

MONDAY

Community Bible Study: Joshua, Revelation, and Colossians

January 10–May 3

Mondays • 7:00–8:30pm • Harper Chapel

Register: GreenvilleEve.CBSclass.org

Community Bible Study is making disciples of the Lord Jesus Christ in our communities through caring, in-depth Bible study, available to all. We began our study with Joshua in September, and are following it with Revelation and Colossians as we complete our year in May of 2022.

The book of Joshua picks up where Deuteronomy leaves off. After leading the Israelites out of Egypt and through 40 years of wanderings in the wilderness, Moses died. But God remained faithful to His promise. He appointed Joshua to lead the Israelites into the Promised Land, where they would at last find rest in a place of their own.

Revelation is an exciting study in which Jesus Christ appears in all His glory. He is revealed as the Lamb of God, Bridegroom, King, and Judge. Prophecies are examined against the backdrop of God's overriding plan for creation since the beginning of time and on through eternity. Class members will be inspired to worship and challenged to live in watchful readiness for the Lord's return.

Colossians is a letter written to combat error in the church. Paul pointed the believers at Colossae to Jesus as the Head of His body, the Church. Paul also told the Colossian believers that they had fullness in Christ. The questions in this course are thought-provoking and challenging.

WEDNESDAY FOR ADULTS

Pastor's Bible Study: *Samuel, Saul, & Solomon*

Wednesdays • January 12–May 4

Luncheon Study 12:30–1:00pm • Fellowship Hall

Evening Study 6:30–7:15pm • Fellowship Hall and Live Streaming

Teacher: Rev. Dr. Richard Gibbons

In learning lessons from the rise and fall of dynasties, divided loyalties, and fractured kingdoms, the opening chapters of 1 Samuel & 1 Kings are an exploration into ancient times that speak directly into ours.

God speaks into ordinary lives, adding fresh color and texture to the daily decisions of Hannah, Eli, Saul, David, and Solomon as they struggle to handle major life decisions and respond to uncertainty. Yet amidst the pressures of barrenness, battles, royal schemes, and shepherds, the greatest excitement is found not in the unfolding drama of historical and national events, but in the One each life points toward.

Dinner and Bible study.

If God changes lives, why is mine stuck in the mud? We all want life change, but achieving it is hard. As Christians, we know we've got God's help. Jesus has made it possible. The Holy Spirit even lives inside us! And yet too many Christians are stuck in the mud when it comes to life change. What's going on? Can things ever get better? Can my life ever turn the corner? In this study, you'll learn the difference between living *for* God's approval and *from* God's approval. It's time to get off the hamster wheel of Christian expectations. Only when you understand your full acceptance by a loving God can life change begin to happen.

REVIVE Bible Study (Women, 30s to 40s):

The Book of Colossians Study on Right Now Media, by Louie Giglio

Contact: Jane Sykes • jsykes156@gmail.com • 864.233.1847

Catherine Culler • 864.395.0308

What we think about Jesus matters. Our perception of Him shapes us—what we say, how we treat other, even what we think. If we paint Jesus as any less than who He is—supreme over all creation and savior of the world—not only does our theology slip, but the working out of our faith also suffers. In this 8-session series, Louie Giglio will take us through the book of Colossians to help us form a complete picture of Jesus. What we believe about Him influences everything from our corporate worship to our relationships to our attitude toward sin. Now alive in Christ, we can live a life worthy of God instead of falling back into the ways of the world.

MISSIONAL COMMUNITIES— Families on Mission

Missional Communities (MCs) are close-knit, extended families on mission who are united in a common service and witness to a particular neighborhood or network of relationships.

Their life together is focused around a simple rhythm of

- UP:** God-centered worship and study,
- IN:** in community with other believers, and
- OUT:** into the world to be a blessing to our city and beyond.

Several MCs have been gathering in homes around the Greenville area, and more are beginning soon.

To find out more, contact Clay Brown (claypbrown@gmail.com) or Rev. Dr. Brian Stewart (bstewart@firstpresgreenville.org).
